Petition for Revival of an Application for Patent Abandoned Unavoidably
(O.A. not received)

Applicants filed a Response to Notice to File Missing Parts of Application, Assignment, Declaration and Power of Attorney on January 18, 2002. USPTO then mailed an updated Filing Receipt on February 19, 2002, Notice of Recordation of Assignment on April 5, 2002 and a Notice of Publication of Application on May 30, 2002.

Since then, Applicants did not receive an Office Action or any Office Communication from the USPTO. Accordingly, Applicants placed a call to Examiner Cherubin to inquire about the status of this patent application on April 16, April 20 and April 21, 2004. Examiner Cherubin confirmed that an Office Action had been sent out by the USPTO on October 6, 2003 which Applicants did not receive, and faxed a copy of same on April 22, 2004. Additionally, Applicants were advised that a Notice of Abandonment would follow within the next couple of weeks.

A Notice of Abandonment was mailed by USPTO on June 1, 2004, advising Applicants that the above-identified application became abandoned for failure to timely respond to Office Action dated October 6, 2003.

Applicants hereby attest to the fact that a search of the file jacket and docket records as well as the Computer Packages Inc., which is a computer software used for tracking action to and from USPTO, indicate the Office Action of October 6, 2003 was never received. Please find enclosed Exhibit "A" that is a copy of the mail log clearly indicating that Applicants did not receive any Office Actions pursuant to the October 6, 2003 mailing date. Please accept Exhibit "A" as documentary proof of non-receipt of the Office Action.
